Patrick Wagner

A recent Graduate from the University of Birmingham, now working at mode as a transport planner.

Since joining, Patrick has been involved in a variety of development schemes, including industrial and residential projects.

While at mode, Patrick has gained valuable experience in the preparation and delivery of Transport Assessments, Highway Technical Notes and Travel Plans. Patrick has experience in analysing data and displaying findings across a range of formats such as Microsoft Word, Excel and PowerPoint as well as utilising software such as Tempro, Trics, Junctions 9 and Autocad.

In his spare time, Patrick is a keen middle distance runner and cyclist, with a passion for taking on the famous climbs in the Tour de France. He also enjoys supporting Manchester City and winning the mode fantasy football league!
