transport planning

Joshua Gawthrop-Willetts

BSc

Graduate Transport Planner

Josh joins mode after completing a Bachelor of Science with Honours in Geography at the University of Worcester.

Sectors:

Residential

Commercial and
employment

Joshua Gawthrop-Willetts

Josh is skilled in town and country planning, including transportation planning, data analysis, and software proficiency in Excel, GIS, and IBM SPSS.

During his time at mode, Josh has been involved in a variety of projects across various sectors including residential and commercial developments. Gaining valuable experience in travel plans, transport statements and transport assessments.

Josh is particularly interested in adapting consumer tastes and preferences to greener methods of living, to mitigate climate change and the associated global challenges.

In his spare time, Josh enjoys exercising, chilling with mates, and is a season ticket holder at West Bromwich Albion.
