Karina Mudjahid

BEng (Hons)

Transport Planner

Transport planner based in London,
focused on sustainable travel.

Sectors:

Residential

Commercial

Education

Karina Mudjahid

Karina is a transport planner with over three years experience in development planning schemes focusing on sustainable travel.

Karina has assisted in producing transport documents for residential, commercial and educational schemes across the UK with particular experience in London.

Karina has experience in using computer software to assist with transport infrastructure and traffic analysis including 'AutoCAD', 'ArcGIS Pro' and 'Junctions10'. She also has experience in highway and infrastructure design for pedestrian and cycle schemes.

Outside of work, Karina enjoys exploring the best of London's theatre offerings, as well as milking her Odeon cinema membership for all its worth.
