Ram Jam Inn

Regenerating disused land in Leicestershire.

The scheme, which consists of two new drive-thru units, two drive-to units and 72 car parking spaces (including five disabled spaces and provision for EV rapid charging), will see the currently disused land and buildings, regenerated, and developed for roadside retail use.

Specifically, this work involved:

- + transport assessment/statement
- + sustainable transport studies
- + parking studies
- + traffic modelling
