Senior CAD Technician

Prince is an experience CAD designer who has a specialism in leisure, in the UK and beyond.

**Sectors:**  
Leisure

# Prince Stanislaus

Helping with designs and CAD issues.

Prince was formerly with Arup, Atkins & The Project Centre. During his career, he has worked as the CAD technician on a wide variety of projects. These have included the 2012 Olympic Athletes route and Dartford crossing road signage. Beyond the UK, his experience includes SGB Scaffolding Hong Kong and working on the Chek Lap Kok Airport.

Outside of work Prince is Member of Thames Valley Harriers and enjoys reading.
