transport planning

Miguel Moya

BSc (Hons)

Senior Transport Planner

Miguel has been involved in a variety of schemes including industrial and residential projects.

Sectors:

Residential

Industrial

Miguel Moya

Miguel joins mode after completing a Geography degree at the University of Plymouth. He has been involved in a variety of schemes including industrial and residential projects.

While at mode Miguel has gained valuable experience in transport statements, technical notes, travel plans and the preparation of transport assessments. Miguel has experience in analysing data and displaying findings across a range of formats such as Microsoft Word, Excel and PowerPoint utilising software such as Tempro, TRICs, and Corel.

Miguel loves music and plays the drums to grade 5 level.
